About US

We Are Est. RACHID KESSERWANI, a company specializing in the collection and export of scrap metal and raw materials established since 1998 in Tripoli - Lebanon.

In an era where the global economy is increasingly focused on sustainable development and resource conservation, we play a crucial role in promoting a circular economy. By recovering valuable materials from waste, we help reduce the need for mining new resources, thereby minimizing environmental degradation and greenhouse gas emissions. Through our efforts, we aim to make a positive impact on the world, fostering a more sustainable future for all.

Ferrous Metal

We sell most of the grades of ferrous metals and used transformers as per international standards.

Our team works closely with our clients to meet their specific requirements regarding quality and delivery.

We regularly export to the global market for competitive prices.
